NJAFED (New Jersey Association of Fire Equipment Distributors) currently consists of over 50 fire protection companies and distributors throughout New Jersey. NJAFED is a not for profit organization that utilizes its fund raisings towards further educating and lobbying to improve the economic environment, business performance, and technical competence in the fire protection industry. The list of member benefits explains it all.

## **Member Benefits Include:**

- Access to over 100 industry professionals & business.
- Updates on state & federal regulations, specifically NJDCA state licensing.
- Training for CEU's to keep state licenses current.
- Networking with Industry Vendors to assure better Vendor Relationships and discount pricing.
- Most importantly—the ability to voice your opinion on current and future issues in the industry through the associations Lobbyist.
- Exclusive Membership Access to NJAFED Website to view the most current news in state & federal regulations, legislations, licensing updates, industry black lists, upcoming training seminars, and much, much more.....
